the KIN KIN yarn

A story-telling festival

The Kin Kin Yarn Festival will celebrate living in harmony with the environment through the eyes of a small community. A festival full of stories that will entertain and enthral - a living, breathing demonstration of why the *Noosa Biosphere* is so special to a community like Kin Kin.

A day of fun for the whole family with *Bush poets*, *Australian balladeers*, *folk singers* and everyday people telling stories about the hinterland, the history and the future.

Stories about the giant Kauri Pine that once flourished in this part of the region; stories about *permaculture* and why our water is so precious to our environment. Stories about the endangered quoll spotted in Kin Kin and stories about the magical healing power of laughter and massage.

Or maybe you have a taste for the creative; if you do you'll find plenty to satisfy your passion at the Kin Kin Yarn. *Glass beads* and *lead lighting*, cast off metal turned into *works of art*, *leatherwork* and *fashion*, and market stalls of every kind.

There will be plenty for the kids to do, *skate board competitions*, *face painting* and *storytelling competitions*; plenty of food and if you need to escape you can always find a corner in the famous Kin Kin pub, or a *quiet cup of coffee* up the road at Jodie and Brett's place.

Story Tellers WANTED!

If you have a story to tell, be part of the Kin Kin Yarn, for details please email: allan@lookingglass.com.au.

Join in the FUN!
